

THE ISLE OF SHEPPEY
ACADEMY

Help our students Learn, Believe and Achieve. Good Teachers required.

We seek candidates with a good Honours degree with ambition, resilience and a passion to make learning in the classroom an exciting experience for our students. Newly qualified and experienced teachers are welcome to apply. Please highlight whether you are applying for a post in a shortage subject (Mathematics, Science, English or Humanities) on your application.

Start Dates: 16th April, 1st July, 1st September 2012.
Final Closing Date: Monday 23rd January 2012.

David Day, Principal of the Isle of Sheppey Academy along with Ralph Mainard, Deputy Master, (External) Dulwich College will be present at Dulwich College to informally interview prospective candidates wishing to teach at the Isle of Sheppey Academy.

Interviews are also available at The Isle of Sheppey Academy.

To secure a 30 minute interview, please contact the Human Resources team directly on 01795 879019 or email: applications@theisleofsheppeyacademy.org.uk

Our aim is to appoint teachers with potential. Successful candidates will be offered:

- A secondment at the end of the second or third year for a minimum of one term at Dulwich College or one of its worldwide partner schools, subject to performance.
- Support for a specialist Leader of Education application with the National College of School Leadership.
- Promoted positions within three years, subject to performance.

The Principal, Mr Day, is keen to ensure teachers who make their mark are placed on a 'fast track' career progression route at the Academy. We aim to secure year on year improvement in academic attainment with our **Learn, Believe, Achieve** mantra.

SPONSOR INFORMATION:

Dulwich College is the lead sponsor of the Isle of Sheppey Academy. The emphasis is upon high aspirations and improving attainment at all levels.

Mr Ralph Mainard is the Chair of Governors at The Isle of Sheppey Academy. His vision has secured a £54m investment in new buildings with state of the art facilities, due for opening in 2013.

Dr. Joseph Spence, The Master of Dulwich College, leads the Governors' Education Committee and is supporting joint teaching packages to assist the Academy's ambitious plans to improve academic attainment.

Please note we will only accept applications that are submitted on our Academy Application Forms. The successful applicant will demonstrate the willingness, commitment and ability to safeguard and promote the welfare of Academy students.
